GOVERNMENT OF MADRAS
Development Department
Letter No.38328 (A) DI/48

From

K.G. Menon, Esq., M.B.E., I.C.S.,
Joint Secretary to Government.

To

The Secretary to the Government of India,
Ministry of Industry and Supply, New Delhi.

Fort St. George, dated the 2nd December 1948.

Sir,

Sub: Industries - Sericulture - Establishment of a Regional Sericultural Research Station at Kollegal.

Ref: Correspondence resting with your letter No.III(35) Text. 1/47 dated 29-6-48.

I am directed to enclose a copy of proceedings of this Government No.5958 Ms Development dated 3rd December 1948 sanctioning the scheme mentioned above. Consequent on the revised scales of pay and Dearness Allowance since sanctioned to Government servants in this Province the total revised cost of the scheme works out as follows:-

Non-recurringexpenditure	Rs 2,40,500
Recurring	69,300 per annum

The Government of India's half share of the expenditure will therefore be as follows:-

Non-recurring	1,20,250
Recurring	34,650 per annum

The expenditure on accountof the scheme in the current year 1948-49 is estimated at Rs 93,000 non-recurring and Rs 43,800 recurring The Government of India's share of theexpenditure during the current year will therefore be:.

Non-recurring	Rs 46,500
Recurring	21,900

I am directed to request that necessary sanction may be conveyed for the revised expenditure as detailed above. As desired in your letter cited above, a report on the progress of work done at the Research Station will be forwarded to the Government of India in February every year.

Yours faithfully,

K.G. Menon,
Joint Secretary to Government.

Superintendent.

Copy of letter No.A.1(489)/E.1. dated the 14th December, 1948. from the Govt. of India, Ministry of Industry and Supply, New Delhi, to the Secretary to theGovt. of Madras, Development Department, Fort St. George, Madras.

Subject:- Establishment of a Regional Sericultural Research Station at Kollegal.

With reference to the correspondence resting with your letter No.38320(A)DI/48-10, dated the 15th October 1948, I am directed to say that the Priorities Committee of theCabinet, which was set up to review all central and centrally-aided provincial development schemes, has decided, as a measure of economy, not to provide any funds in the Budget for 1949-50 to meet the Government of India's share of the expenditure on the establishment of a Regional Sericultural Research Station at Kollegal. Moreover, it is understood that the scheme has not been included in the Revised Plan of development projects, which theGovt. of Madras have sent to theGovt. of India, Ministry of Finance, in pursuance of the Government's policy to check inflation. I am, therefore, to request that the scheme may be postponed for the present.

Copy to Tex.1. Branch for information.

TPS. Please see the C.B extract on p1 above.

The Bank of India have sent a representation enquiring whether the scheme for the establishment of a Regional Sericultural Research Station at Kollegal can be deferred for the present. It is separately under consideration in P+D VI. No action is called for on this pending a decision in that case. They may ~~be lodged and with a copy of~~ ~~15.3.68~~ lie over till 25.2.69 & till a decision is reached with ref to 'A' above, whichever is earlier.

GOVERNMENT OF MADRAS.
Development Department.

Letter No.135905 P&DV/48-2

From
K.G. Menon, Esq., I.C.S.,
Secretary to Government,
Development Department,-
MADRAS.

To
The Secretary to the Government of India,
Ministry of Finance (Planning Branch), -
NEW DELHI.

DATED FORT ST. GEORGE THE 28TH JANUARY, 1949.

Sir,

Sub: Postwar Development - Development of Sericultural Research Station at Kollegal and 5-year plan of Sericultural Development - Approval --

Ref: Letter No. 107058 P&D VI/48-17 dated 27th October 1948.

I am to invite attention to the correspondence resting with the letter xxxx from the Government of India, Ministry of Industry and Supply No. A 1 (489)/E 1 dated 14-12-1948 and to state that the scheme "Establishment of a Sericultural Research Station at Kollegal", was omitted in the revised plan of development projects sent to you with the letter cited for the reason that at the time the statement was prepared, this Government believed that with reference to the approval communicated with Government of India, Department of Industry and Supply's letter No. 111 (35)-Tex-1/47 dated the 29th June, 1948, the scheme will be treated as part of the Central Government's scheme for the development of Sericulture. Since the Government of India have decided as a measure of economy not to provide any funds in the budget for 1949-50 to meet their share of the expenditure on this scheme, the Government of Madras consider that the scheme may be treated as a postwar development scheme eligible for financial assistance from the Central grants and taken up immediately. In this connection, I am to invite your attention to this Government's letter No. 1236/47-3 dated 27-11-1947 to the Secretary, Development Board and to the reply from the Secretary, Development Board No. 347/SC-Madras dated 2-1-1948.

2. I am also to invite your attention to this Government's letterNo. 53714 P&D IV/47-34 dated 14th December, 1948 to the Secretary, Ministry of Industry and Supply in which a five-year plan Sericultural Development in the Madras Provinces has been forward to the Government of India with the request that in view of the All India Importance of the subject, the expenditure on the [redacted] may be shared equally between the Government of Madras and [redacted] vernment of India. I am to request that in case the Gove[redacted] India are not agreeable to the suggestion to share the [redacted] basis, this scheme may also be treated as a postwar dev[redacted] scheme eligible for financial assistance from the block[redacted]

3. I am to request that the decision of the Governme[redacted] in regard to these two schemes may be communicated at [redacted] date so as to enable this Government to proceed with t[redacted] as early as possible.

Yours faith[redacted]

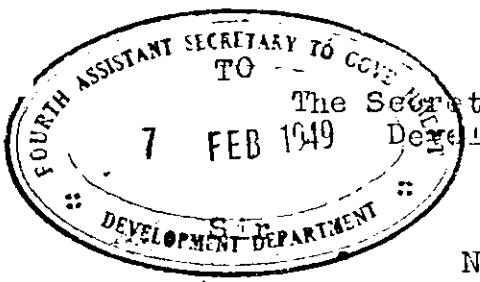
From

The Joint Director of Industries & Commerce,
Madras-5.



TO

The Secretary to Government,
Development Department,
Madras.

Sir,

No. D2.4492/48, dated 4th February, 1949.

Sub: Industries - Sericulture - Establishment of a Regional Sericultural Research Station at Kollegal - regarding.

Ref: G.O. No. MS.5958, Development, dated 3-12-1948 and Govt. memo No. 77944-P&D.VI/48-9, Development, d/ 3-12-48.

The Sericultural Expert reports that it may be possible to spend only about Rs.17,000/- under non-recurring and Rs.4,540/- recurring during the current year as against Rs.93,000/- non-recurring and Rs.21,900/- recurring sanctioned for the above scheme in the G.O. cited. A copy of letter No. 965-S/48, dated 16-1-49 together with the statement showing revised classification of expenditure to be incurred on the scheme received from the Sericultural Expert is enclosed

for Joint Director of Industries
& Commerce.

of Sericultural Expert, Kollegal.

13

Sub: INDUSTRIES - Sericulture - Establishment of a Regional Sericultural Research Station - Sanction of -

Ref: Jt. Director's memo No. DS.4492/48, d/ 28-12-48.

At the time of submission of this Office letter No. 965-S/48, dated 15th August, 1948 in which I had indicated the probable expenditure on the Research Scheme in 1948-49, I had presumed that the preliminary work may be started in October, 1948 (vide my D.O. letter No. 965-S/48, dated 14-8-48 to Mr. P.A. Raman, B.Sc.(Eng), Dy. Director of Industries & Commerce (Marketing)--copy enclosed). But as the G.O. sanctioning the scheme has been received very late in the financial year, it may not be possible to spend the entire allotments of Rs.93,000/- and Rs.21,900/- under non-recurring and recurring items of expenditure respectively. It may be possible to spend only Rs.17,000/- on non-recurring expenditure and Rs.4,540/- on recurring expenditure as detailed below:-

I. MULBERRY SECTION:

Non-Recurring:

(1) Mulberry garden-acquisition of 10 acres;

If the formalities regarding the acquisition are expedited, it is possible to spend this item in the current year. The Revenue Divisional Officer, Kollegal, had already been addressed in the matter. It is requested that the Collector, Coimbatore, may be addressed to place the lands at our disposal pending formal acquisition so that preliminary work may be started. Now that the crops in these lands have been harvested, there will not be any trouble.

(2) Cost of establishment of Mulberry Garden:

If the lands are placed at our disposal immediately, it may be possible to spend Rs.1,000/- as against Rs.2,000/-previously proposed.

(3) Amounts provided for fencing, purchase of Garden implements, pump set, live stock, electrical installation and miscellaneous expenditure could be spent.

(4) It may not be possible to spend the amounts provided against furniture, scientific equipment, scientific books as by the time quotations are received and orders placed, the financial year would come to a close. It is not possible to complete the construction of Garden Culture House and shed for live stock during this financial year.

RECURRING EXPENDITURE:

It may be possible to spend only about Rs.250/- against a sum of Rs.2,000/- originally proposed.

p.t.o.

S 15

TECHNICAL STAFF

The following staff will have to be appointed immediately, as the preliminary work of establishment of mulberry garden has to be taken up:-

		Pay.	D.A.
Asst. Research Officer (Biology)	1 ..	180/-	40/-
Garden Assistant	.. 1	90/-	24/-
Garden Foreman	.. 1	45/-	22/-
Mulberry Cultivators.	.. 2	24/-	19/-
Lower Division Clerk	.. 1	45/-	22/-
Peon.	.. 1	16/-	18/-
	For one month..		588/-

It is presumed that all these posts will be filled up by 1st of February 1949. Hence the probable expenditure will be Rs.1,176/-.

II. SERICULTURAL SECTION.

It is not possible to spend the sum of Rs.10,000/- originally provided for 1948-49 as the rough plans for Rearing House at Coonoor were forwarded to the Consulting Architect to Govt. of Madras only recently. It may take time to prepare estimate, call for tenders and take up the construction. Until the rearing house is completed, it is not possible to spend the provision on scientific instruments.

III. REELING SECTION.

As the construction of buildings for the Research Station will be completed only in the next official year, it is not possible to spend the amount provided against Capital and recurring expenditure. There is no need to appoint the staff sanctioned for this section now

IV. CHEMICAL & BIOLOGICAL SECTION.

As the buildings would be ready only next year and as it would take time to get quotations and purchase the laboratory equipment required, it may not be possible to spend the sum of Rs.35,000/- provided excepting a sum of Rs.1,000/- on the cost of land to be acquired.

As regards the recurring expenditure, the following staff sanctioned for this section may be appointed immediately:-

contd.

17 7

		Pay	D.A.
IV.(Contd.).			
Asst. Research Officer (Bio-chemistry) ..	1	180/-	40/-
Laboratory Assistants ..	3	45/-	22/-
Laboratory Attenders ..	3	24/-	19/-
Peon ..	1	16/-	18/-

for one month .. Rs.584/-

Probable expenditure for two months would come to Rs.1,168/-.

As against a sum of Rs.2,000/- provided for the purchase of chemicals, casual labour etc., it may be possible to spend only about Rs.500/-.

V. MUSEUM AND TEACHING SECTION.

No amount was provided for 1948-49 as this section will commence working only when all the other buildings and equipment are provided in the other section.

VI. QUARTERS FOR STAFF:

Excepting a sum of Rs.2,000/- towards the cost of land to be acquired, it is not possible to spend the entire sum of Rs.20,000/- provided for 1948-49, as the construction of buildings will be completed only in 1949-50. Estimates have to be prepared and tenders called for before the work is taken up.

VII. CENTRAL STAFF:

The following staff may be appointed immediately:-

		Pay.	D.A.
Research Officer ..	1 ..	230/- -	46/-
Head Clerk ..	1	80/- -	24/-
Typist ..	1	45/-	22/-
Peons. ..	2	16/-	18/-

OFFICE OF THE SERICULTURAL UNIT, KOLLEGAL:

Upper Division Clerk. ..	1 ..	80/- -	24/-

OFFICE OF THE DIRECTOR OF INDUSTRIES & COMMERCE MADRAS:

Upper Division Clerk. ..	1 ..	80/- -	24/-

For one month .. Rs.723/-

Hence a sum of Rs.1,446/- could be spent during 1948-49.

Enclosed statements clearly indicate the probable expenditure in 1948-49.

x.x.x.x.x

REVISED CLASSIFICATION OF EXPENDITURE:

Sir

Sub:-Industries - Sericulture - Establishment of a Regional Sericultural Research Station at Kollegal.

Ref:-Government memo No.4706 DI/49 & - 2 Development dated 23rd February, 1949.

In the memo cited, Government have directed me not to incur any expenditure on the scheme for the establishment of the Regional Sericultural Research Station at Kollegal during the last financial year (i.e.,) 1948-49. I now request to be informed whether I may proceed with the scheme and incur the expenditure sanctioned, during the current financial year.

In G.O.No.5575, Development, dated 10th November, 1948, Government have also sanctioned the acquisition of land of 15.29 acres at Kollegal at a cost not exceeding Rs.500/- per acre and the Collector of Coimbatore is taking necessary steps to acquire the above land. It is not clear whether the instructions issued by Government in memo No.4706 DI/49-2 dated 23rd February, 1949, will also apply to the proposal of acquisition of lands sanctioned in G.O.No.5575, Development, dated 10th November, 1948. I request early orders of Government in the matter.

Director of Industries and Commerce.

Subject:- Industries - Sericulture - Establishment - of a Regional Sericultural Research Station at Kollegal.

Ref:- From the Govt. of India No.A.1.(489)/S.1. d/ 14-12-48.
From the D.I & C. No. 24492/48, d/ 4-2-49.

To A.S.

In G.O.No.5958, Dev. d/ 3-12-48 the Govt. sanctioned the scheme for the establishment of a Regional Sericultural Research Station at Kollegal. The expenditure on the scheme is to be borne by the Govt. of India and this Govt. on a 50:50 basis. The ultimate expenditure on the scheme was estimated at Rs.2,40,500/- non-recurring and Rs.69,300/- recurring, and the expenditure in the current year was estimated to be Rs.93,000 non recurring and Rs.43,800/- recurring. This Govt.'s 50% share of the expenditure during the current year was therefore estimated at Rs.46,500/- non-recurring and Rs.21,900/- recurring. In Dec. 1948 the Govt. of India stated that the Priorities Committee of the Govt. of India Cabinet had decided as a measure of economy not to provide any funds in 1949 -50 to meet the Govt. of India's share of expenditure on the scheme that the scheme has not also been included in the revised plan of development projects sent by this Govt. and therefore requested that the scheme may be postponed for the present. The matter is separately under consideration in P.W.D V and the Govt. of India have been addressed again requesting that the scheme may be treated as a post-war scheme eligible for financial assistance from the central grant and taken up immediately. The final reply from the Govt. of India has not yet been received.

2. In his letter at p.5 c.f. the Jt. D.I & C. states that out of the estimated expenditure during the current year (viz Rs.93000 non recurring + Rs.43800 recurring) mentioned at 1 above, it will be possible to spend only Rs.17,000/- under non-recurr and Rs.4540/- under recurring during the current

E II

year on account of the scheme. As the final approval of the Govt. of India for proceeding with the scheme has not yet been received it does not appear that any expenditure can be incurred on the scheme during the current year unless the entire expenditure will be borne by the Provincial Govt. However as the scheme was treated as "new source" a token grant of Rs 100 is being included in the supplementary estimate Finance may see for remarks. A Sd

Dy 23/5/49

[From the DO No D2-4492/48 dt 20-5-49]

TO N.S.

Typed notes on pp 1-2 above may be perused

Pending the receipt of final approval from India of the scheme for the establishment of a Sericultural Research Station at Kollegal, the DO was informed in Govt Memo No 4706 Dev/49 dt 3-2-49 not to incur any expenditure on the scheme in the year 1948-49

2. Govt Gr. No 5575 Dev dt 10-11-48 the Govt have also sanctioned the acquisition of land of 15.29 acres at Kollegal at a cost not exceeding Rs 500/- per acre for the establishment of the Sericultural Research Station. The DO reports that the Collector of Coimbatore is taking necessary steps to acquire the lands

3. The DO now enquires as to:—

i) he may proceed with the scheme referred to in para 1 above and incur the expenditure sanctioned during the current year (1949-50).

ii) the instructions issued in Govt Memo No 4706 Dt/49 dt 23-2-49 will apply to the proposal for the acquisition of land referred to in para 2 above

Para 3 (i)

The final approval of the Govt of India for bearing 50% of the expenditure of the scheme is still awaited. The dse may therefore be informed not to incur any expenditure on the scheme in 1949-50 pending the final approval of India. For orders

Para 3 (ii)

Till the final decision of the Govt of India are known, it cannot be presumed whether India will bear half the cost of the scheme and if India do not agree, the scheme will have to be reexamined ~~and it may even be dropped~~ and it may even be dropped if the Govt of India are not prepared to finance the scheme. Pending the ~~decision~~ receipt of final decision of India, it does not appear safe to proceed with the acquisition of land required for the scheme. The dse may therefore be informed that the instructions contained in Govt Memo No 4706 Dt/49 dt 23-2-49 will apply to the proposal for the acquisition of land sanctioned also in Govt No 5525 Dt/9 10-11-48. For orders. Subject to orders a draft memo is submitted below for approval.

8.11.49

11.11.49

To A.S. The Govt of India recently stated in view of the acute financial position that a specific reference should be made to them in respect of schemes awaiting their sanction. This question is being examined in connection with similar schemes separately. This may be awaited till 15-1-50.

12.1.49

12.1.49

To A.S

In December 1948, the Govt. approved the scheme submitted by the D.I & C. for the establishment of a Regional Sericultural Research Station at Kollegal. The expenditure on the scheme is to be borne by the Govt. of India and this Govt. on a 50:50 basis. The ultimate cost of the scheme was estimated at Rs. 2, 40, 500/- non recurring and Rs. 69, 300/- recurring. The Govt. of India were addressed for necessary sanction.

2. In December 1948, the Govt. of India stated that the priorities committee of the Govt. of India Cabinet had decided as a measure of economy not to provide any funds in 1949-50 to meet the Govt. of India's share of expenditure on the scheme that the scheme has not also been included in the revised plan of development projects sent by this Govt. and therefore requested that the scheme may be postponed for the present. The Govt. of India were again addressed requesting that the scheme may be treated as a post war scheme eligible for financial assistance from the Central grant and taken up immediately. Instructions were also issued to the D.I & C. not to incur any expenditure on the scheme during 1949-50 and 1950-51 until further orders of the Govt. are issued.

3. Subsequently the scheme was again considered as to whether the implementation of the Scheme of this Govt. can be postponed or slowed down consequent on the Govt. of India's decision not to make any grants from Central Block Grant to the post war development schemes of the State Govts during 1950-51. The scheme was also considered taking into consideration the instructions issued by Finance dept. that in view of the financial stringency the scheme which had not so far been given effect to for any reason should not be abandoned or slowed down suspended at some
